

Session III: "Growing 21st Century Learners"

Key Topics:

- Leading professional conversations
- The 3 R's in 21st century schools (relevance, rigor and RAM)
- Digitizing today's learning (Madelyne Hunter and Mike Rutherford)
- Developing self-directed lifelong learners (students and staff)
- Revisit assessing 21st century skills

Session IV: "Organizing 21st Century Schools for Success"

Key Topics:

- Balancing skills, strategies and practices in 21st century classrooms
- Reality check: using assessment to inform instructional practice
- Role of adaptive vs technical change in implementing the instructional core
- Information and media literacy (21st century skills)

Kentucky Leadership Academy Alumni (KLAA)

For our Alumni group, we embrace the same set of core values/beliefs, vision, and mission that was developed for our KLA cadres. Our curriculum is developed with this at its center. The major differences are the number of meeting days at a lesser registration fee. Participants still receive the majority of curriculum materials, both in print and electronic versions and are invited to attend the summer leadership retreat and our national consultant events. The format for KLAA sessions is three single days in two locations (usually Lexington and Bowling Green) scheduled throughout the school year.

Cost: KLAA

- KASA members or teams of 5 or more from one district - \$500 per person
- KILTN members - \$400 per person
- Non KASA members - \$600 per person

If you have questions or need further information, please call the KASA office, 800-928-5272, or go to www.kasa.org/Professional_Development for further information and additional registration forms.
